HIGHLIGHTS FROM 2025

Family Promise of Grayson County (FPGC) received a second manufactured home from Clayton Homes. This doubled our capacity to provide transitional housing to families needing more time to attain their financial goals.

FPGC continued its financial literacy program and Tool Talk home maintenance and repair classes. We also hosted a health class led by the Callie Clinic. We are grateful to them, our volunteers, and partner financial institutions for so generously sharing their knowledge and time.

Through our Blessing Box, we made available food, hygiene products, cleaning supplies, blankets, and clothing. This was used throughout the year, often multiple times a day, by neighbors and others in the community.

2025 FINANCIAL CONTRIBUTORS

Each dollar donated is an investment in the lives of families and children we serve. Our thanks go out to the following financial donors, sponsors, and funders. Each of our donors is important to us, and we do our best to recognize everyone.

2025 COMMUNITY SUPPORT OVERVIEW

In 2025, Family Promise of Grayson County received over \$460,000 in financial contributions as well as in-kind support in the form of shelter and meals provided by our network congregations, volunteer time, and generous in-kind goods and services. We are so grateful to all our donors in 2025 for their ongoing support of families with children in Grayson County.
