-----SPONSORSHIP OPPORTUNITIES-----

FAMILY PROMISE OF GRAYSON COUNTY

helps families with children facing or experiencing homelessness work towards stable housing. In 2020, we assisted six families through our shelter program and at the beginning of 2021, we began a new program, Family HOPE, to help families in our community avoid becoming homeless.

BECOME A BED RACE RELAY SPONSOR and support the Family Promise mission. This event will be different than in past years. Instead of racing beds on wheels, teams will race against each other in a foot race to make a bed with a bottom fitted sheet, top sheet, pillow, comforter, and teddy bear. Each team member will place one item on the bed in a relay format. Sounds easy, right? The catch is that teams will need to navigate a series of obstacles in order to get to the bed from the starting line. The obstacles will be appropriate for racers of all ages. We hope you will consider becoming a sponsor.

FILL OUT THE SPONSOR FORM on our website (see link above). You will be able to make your sponsor donation online or you may mail it to the mailing address above. If you have questions about the relay, feel free to email us.
