

# 2022 BED RACE RELAY

## SEPTEMBER 17, 2022

### First United Methodist Church

### Sherman Arts Fest

#### A BED RACE RELAY?

 Each team has 5 team members.

 Teams race in relay format to see which team can make a twin bed in the shortest amount of time.

 A bed is made by placing a bottom fitted sheet, a top sheet, a pillowcase on a pillow, a teddy bear on the pillow, and a comforter on the bed.

 Each team member will place one item on the bed in a relay format. The catch is that each team member must navigate a series of obstacles between the starting line and the bed. The bedding items will all be placed in a bag that each racer must carry with them through the obstacles. When a racer reaches the bed, they will remove their assigned item from the bag and place it on the bed and then sweep the bag back to the starting line.

 Prizes will be awarded to the winner of each heat and a grand prize will be awarded to the team with the overall fastest time. Teams can improve their time through team fundraising (see below).

#### TEAM FUNDRAISING

 Since one goal of this event is to raise funds for Family Promise of Grayson County, teams are encouraged to get sponsors to support their team. Donations are tax deductible and receipts are available for individual donations over \$250.

 Time will be deducted from a team's race time according to the following: for every \$100 your team raises, 5 seconds will be deducted from your team's race time. Team donations must be submitted prior to your heat on the day of the race.

 The more donations your team brings in, the faster your race time will be.
